

The March presentation will provide details about registering for the new e-learning training and assigning required learning plans. Effective April 1, 2017 all HEAplus users from Community Partner organizations will need to take some sort of e-learning training, so please plan to attend.

If you are not already registered for the 2017 Information Exchange Meetings you still have time to register and save the March 15th meeting on your calendar. The training schedule for the "2017 HEAplus Information Exchange Meetings" is in Links & Contacts. The schedule includes registration instructions. You can register for morning sessions, afternoon sessions, or both. Register once and add all the remaining 2017 sessions to your calendar today!

If you do not have account access to HEAplus yet, please contact your organization's HEAplus Site Administrator for a copy of the schedule with registration instructions. We welcome your suggestions for training topics for these meetings.

Please send your suggestions to Kathy Sponagle at Kathy.Sponagle@azahcccs.gov. Your copy should address 3 key questions: Who am I writing for? (Audience) Why should they care? (Benefit) What do I want them to do here? (Call-to-Action).
